Warwickshire won 5 to 4

Our opening match was always going to be tough against the defending Midlands South champions.

The first two foursomes were very close affairs, both finishing on the 18th – a win to each side.

The third match saw a new pairing of Jane Binning & Lauren Jupp and they only just lost (Justine Voss suffered bad side affects from a wasp sting and had to sit this match out!).

We needed four wins in the afternoon singles which started excellently with great wins by Tilly Magill – 5/4 over Liz Haycock – and by Sam Round – 4/3 over Charlotte Taylor – including an eagle on the par 5 5th.

Laura Watkins had a very tough match against Charlotte Dalton with both players in good form and halving a par 5 in eagles! The match was halved on the 18th.

Annie Gowing also battled hard to achieve a half which, unfortunately, was not enough to beat Warwickshire.

Well played to all the players and thank you to the caddies and supporters.
