Burford Golf Club hosted the Nicola Sparks Memorial Junior Trophy event on 28<sup>th</sup> October. This competition was established by Nicola's father, Max. Nicola was a talented golfer who had played for her club and county for many years holding the title of County Champion several times and was County Captain in 1993. She was a keen supporter of junior golf and this competition is a wonderful tribute to her.

It was a very happy day – enjoyed by spectators and players alike. The winner of the 18 hole stableford for girls with handicaps of 36 or below was Sophie Stone from Studley Wood Golf Club with 39 points. Her fellow club mate, Olivia Stone, was runner up with 38 points. The 9 hole stableford was won by Kate Hillas from Henley with 18 points and Amber Phipps was runner up with 17 points on count back from Camilla Hancock from Chipping Norton and Jessica Ramsay from Southfields. Keeley Harding from Burford won the flag competition with 11 shots left and Sophie Hillas from Henley was close behind with 10 shots remaining.

Thanks to everyone who helped to make this special day such a success.
